

914/4 Porsche Wiring Harness Identification Guide			1970	1971	1972	1973	1974	1975-76
Chassis Harness			914.612.018.XX					
From Chassis				.10	.12	.13	.15	.16
Black tape spiral wrap				F 4712909637 >>	F 4722900001>>			.17
Fuse panel wiring/fuse configuration				Cloth				Vinyl
Master brake cylinder switch wiring				1970-71	1972	1973		1974-76
Ignition switch connector				2 wires				1-wire
Turn signal switch connector				Terminals only, no connector housing				6-pole
Wiper/washer switch connector				12-pole				9-pole
Headlight switch				Dash mounted, quick connects				Steering column mounted, 5-pole connector
Main battery wires				10-pole				11-pole
Relay board connector, 14-pole				3 red incl LARGE power wire, with terminal block near fusebox				4 red wires (2-4.0mm²/2, 2-2.5mm²/2)
Fuel pump location				1970-71		1972		1973-76
Oil temp gauge wire (green/black stripe)				Below engine bay				Below tank
Yellow starter wire				At relay board, from Ignition harness		None		Below battery tray
Door switches				2.5mm²/2				4.0mm²/2
Single horn, drivers side, by foglight				4-pole				2-pole
Dual horns, mounted near foglights								
Dual horns mounted under front chassis and and rear license plate lights, with removable harnesses								
Foglamp circuits in harness								
Diode at combo gauge								
Separate dash lighting harness								
Seatbelt warning system - 4-wire dash light, seatbelt switches, passenger seat switch, buzzer at fusepanel								
Seatbelt Interlock system - 2-wire dash light, interlock/cube buzzer relays, seatbelt switches, seatpad switches								
Wiper relay trip wire in harness (brown/black stripe)								
Center console wiring harness connections								
Supplemental wiring harnesses to chassis harness:								
Type	PN	Harness Description	1970	1971	1972	1973	1974	1975-76
Fog Lights	914.612.057.10	Wiring harness switch for fog headlamp and rear foglight						
	914.612.057.13							
	914.612.115.10	Additional cables for rear foglight						
	914.612.115.13							
Double Horn	914.612.065.10	Additional cables for double horn						
	914.612.177.00							
Wiper Delay	914.612.143.10	Additional cables for interval relay windscreen wiper system						
Lights/Gauges	914.612.051.10	Additional cables for directional indicator lights						
	914.612.052.10							
	914.612.052.11							
	914.612.041.10	Wiring harness for lights and instruments						
	914.612.043.01	Positive cable instrument cluster (2.0L-only)						
	914.612.109.20	CAT relay harness (CA-only)						
Radio	914.612.053.10	Wiring harness for radio, Blaupunkt						
	914.612.055.10	Cable for loudspeaker for radio, Blaupunkt						
Center Console	914.612.151.10	Wiring harness for center console						
	914.612.155.10	Cable for instrument cluster without center console (2.0L-only)						
Emergency Brake	914.612.132.12	Wiring harness for emergency light switch brake, 2-pole						
	914.612.049.16	Additional cables for emergency light switch brake, 1-pole						
Rear Window Defroster	914.612.056.10	Additional cables for rear window heating						
	914.612.056.13							
	914.612.056.14							
License Plate Light	914.612.085.00	Wiring harness for license plate light						
Other Wiring harnesses			1970	1971	1972	1973	1974	1975-76
Fuel Injection Harness 1.7L	022.971.819	W-code engine						
	022.971.761F	EA/EB-code engines						
Fuel Injection Harness 1.8L	022.971.761G	EC-code engine, 6-pole AFM (1974-only)						
	022.971.761Q	EC-code engine, 7-pole AFM (1975-only)						
Fuel Injection Harness 2.0L	039.971.761B	GA-code engine						
	039.971.761A	GC-code engine, Speed Limiter, (CA-only)						
	039.971.761?	GC-code engine, no Speed Limiter, (49-state)						
Alternator Harness	021.971.349D	All 914/4						
Ignition Harness 1.7L	914.612.007.10	W-code engine						
	914.612.007.13	W-code engine						
	914.612.007.15	EA/EB-code engines						
Ignition Harness 2.0L		GA/GC/GCSL-code engines						
Ignition Harness 1.8L	914.612.016.16	EC-code engine (1974-75 only)						
Battery+ cable to Starter Motor	914.611.031.00	All 914/4						
Battery Ground Strap	914.611.903.10	All 914/4						
	914.611.904.11	All 914/4						
Transmission Ground Strap	999.611.919.20	All 914/4						
Alternator Ground Strap	901.612.110.00	All 914/4
