

# Post Super Bowl Hamburger Drive

Saturday February 12, 2011

There are several nice elements of the drive route, I hope you will enjoy. From my perspective the drive elements are:

Highway 35 Sky Line

Highway 9 Big Basin

Highway 1 Coastal Drive – Santa Cruz to Monterey

“The Porsche Boxster Spyder Sunday Morning Drive” – Laureles Grade

Highway 1 Carmel to Nepenthe for a \$15 Hamburger [Nepenthe Restaurant, Big Sur, California](#)

The Drive is great the views and food are awesome

After discussing New Year's Day Drive with several people, I am changing the starting point to Alice's Restaurant. Alice's Restaurant has two essential elements required of any starting point - bathrooms and coffee. Which of course, crystal springs lacks...

I would like to keep the drive moving. For non-planned stops, I would suggest getting there at the recommend arrival time. We will not wait. If you miss us just join us at the next schedule stop. We will not leave a planned stop before the scheduled departure time. I would suggest arriving early.
